

The effects of smoking are now plainer to see

The image shows a pack of cigarettes with a blue top and a red bottom. The word "CIGARETTES" is printed in white on the blue top. Below it, in white text on the red background, is the warning "SMOKING CLOGS YOUR ARTERIES" and "Health Authority Warning". A white box with a black border contains the text "Quitline 131 848". Below the pack, a photograph of a clogged artery is shown, with a yellowish, clotted end.
